Dear Brothers and Sisters,

Over the past three years the ministry of *Future for America* has grown from a mailing list of zero, to the point now where we monthly mail to a little over two thousand names. Many of the names have joined our newsletter in the last year and a half. The prophetic material we share is built upon a specific development of prophetic truth. My fear is that many of the newer listeners are not familiar with the very premise of the prophetic material we present. Because of this, and because it was time to update our sales catalogue, I am going to take a little time to give you an overview of the entire prophetic message which we have been led to proclaim.

The foundation of our studies is Daniel 11:40–45. We have this material on audio, video, a book titled, *The Final Rise and Fall of the King of the North*, and a magazine titled, *The Time of the End*. These presentations demonstrate that Daniel 11:40 is describing the collapse of the Soviet Union, which was brought about by an alliance between the Vatican and the United States. The most important verse in this study is verse forty-one, which identifies that after the collapse of the Soviet Union, the next thing to happen prophetically is the Sunday law in the United States. This study includes the truth that these verses were designed by God to wake up Seventh-day Adventist to the awareness that a Sunday law was imminent! If you have not investigated this study, you are missing the most important presentation of *Future for America's* prophetic material.

Another study that is built upon the truth of the soon coming Sunday law of Daniel 11:40–45, is the information about what takes place at the Sunday test. The study of this point is the nine-hour audio presentation titled *The Purification of God's Church*. Brothers and Sisters, this information is critical to understand. Not only is God's Church purified at the Sunday test, but our probation closes at that test. If this is correct it demands that you investigate the information connected with this truth. This study touches on these deep and solemn understandings.

In Daniel 11:40–45 there are three powers identified; the Papacy, the Soviet Union, and the United States. These three powers interact through these verses until the Papacy comes to its end, "between the seas and the glorious holy mountain." This geographical area corresponds with the books of Revelation's—Armageddon. The three powers, which lead the world to Armageddon in Revelation 16, are symbolized as the beast, the dragon, and the false prophet. These are none other than the same three powers in Daniel 11:40–45. The books of Daniel and Revelation go together. We have a study on Revelation 16 where we look at the beast, dragon, and false prophet from the perspective of their parallel to Daniel 11:40–45. This study is on audio and video and is six hours long.

Perhaps the most stimulating study we do is titled *The Prophetic Pattern*. The three angels message is a pattern which lines up end time Bible prophecy. Most Seventh-day

Adventists have never seen this truth symbolized throughout the Bible. But once you see it, it is very clear. Once you see it, it also brings new light upon many important end time prophetic truths. Though very simple, this eight-hour study is too deep to explain in a paragraph—but it is a study you should prayerfully investigate. It comes on audio and video. I recommend the video, as it will give some visual illustrations, which will be helpful to grasp this information.

As we travel and present the prophecies we are constantly confronted with many of the false prophetic techniques and ideas which are blowing through Adventism. We have a ten-hour audio presentation titled, *The Prophetic Time Series*, where we look at the “daily” in the book of Daniel; the reapplication of time prophecies; and where Adventism fits into end time Bible prophecy.

We do not believe that time prophecies which have already been fulfilled will have another fulfillment at the end of the world. Our defense for this understanding is in the previously mentioned series, but there are ways that prophecy will be repeated. Our study titled, *Those Things Which Have Been, Will be Repeated* addresses one of those repetitions. We identify the Christian Coalition as the modern parallel to the National Reform Movement of Sister White’s day and age. This five-hour audio message is present truth—with solemn implications. Time is very short.

Our last series was titled, *The Crowning Act*. In this we look at how the so-called Virgin Mary is preparing the Catholic Church to receive Satan as Jesus. Brothers and Sisters this four-hour audio presentation is alarming in the sense of its emphasis on the nearness of these end-time events.

Our current six-part audio presentation is

titled *The Overflowing Scourge Series*, and it focuses on the serious implications of what we are about to be confronted with, if we are privileged to be among those who very shortly receive the seal of God. There is much room for misunderstanding with this material, but it is a message that is abundantly established in the Bible and Spirit of Prophecy. It is a sad and serious presentation.

None of these presentations are simply interesting items of prophecy. They are all directing us to the nearness of the Sunday law, the close of probation, and the soon return of our Lord and Savior. It is my prayer that you will review these presentations.

You will notice a few new books on the list. The purpose of our ministry is not to sale publications. We offer materials, which we think will be a blessing and are related to what we are sharing. The sale of these items helps to sustain the ministry.

Thank you for the support of the ministry. Our prayer is that the material we share may somehow inspire you to strive to be among those who very shortly will receive the seal of God.
