## *A Grievous Vision DVD's*

We are happy to share with you an outstanding series presented by Darrio Taylor. This week long seminar was recorded by Future News Studio in October 2009. *A Grievous Vision* is an 18 DVD set with 35 presentations. Darrio Taylor speaks on a variety of topics yet each one complements the other in such a way that there is no doubt the Lord's hand was in control of these messages. If you have ever needed a deeper understanding, straight from the Bible, about Islam in prophecy, the book of Zephaniah, Daniel 2, the daily, the 2520, Daniel 11:40-45, the great reformatory movements, Revelation 10, and Revelation 17 then *A Grievous Vision* is the perfect series for you. *A Grievous Vision* is \$103 plus 15% shipping. There is no better time than right now to open the Bible and Spirit of Prophecy and to learn what this grievous vision means for you.

## *The 2520 Revealed DVD's*

Over the summer of 2009 Future News Studio recorded Parminder Biant as he considered the 2520 time prophecy. This set of 10 DVD's includes 22 presentations covering a large variety of issues in relation to the 2520 time prophecy. Some of the relevant subjects include a closer look at Leviticus 26, how the Adventist pioneer's believed, the connection between the 2520 and the 1843 and 1850 charts, and what significance the 2520 has for us today. *Future for America* is fortunate to be able to offer such a complete study on the 2520. We do not know of any studies on the 2520 time prophecy that are as thorough and compelling as *The 2520 Revealed*. *The 2520 Revealed* is \$68 plus 15% shipping. If you are willing to open your heart to this message you will be blessed with the life saving truths it contains.

## *Christ's Object Lessons CD's*

As Seventh-day Adventists you have probably read such statements concerning our responsibility to share the Spirit of Prophecy books with non-Adventists: "Let them (the Spirit of Prophecy) be kept where they can be read by

many, and let them be worn out in being read by all the neighbors.....You should lend Spirit of Prophecy to your neighbors and prevail upon them to buy copies for themselves." *Testimonies*, volume 4, 390.

We now offer you a way to carry out this commission. *Jewels of Truth* has recorded the book *Christ's Object Lessons* which is used as a 30 minute radio program. The recording is complete with introduction, music, reading of a portion of *Christ's Object Lessons*, and an invitation to purchase the book. The broadcasting of the entire book on radio takes approximately 8 ½ months if broadcast weekly in ½ hour intervals. The set of 18 CD's is \$23 plus 15% shipping. If you are interested in ordering this *Christ's Object Lessons* CD set for yourself or a radio program in your area then please contact us at the information listed above.
